Introduction by Graham Davies. A *concordance*, according to the Collins Cobuild English Language Dictionary (1987), is "An alphabetical list of the words in a book or a set of books which also says where each word can be found and often how it is used." I first came across the term *concordance* from one of the lecturers who taught me at university during the early 1960s.

Scope: This page is for requests for deletion of pages, entries and senses in the main namespace for a reason other than that the term cannot be attested. One of the reasons for posting an entry or a sense here is that it is a sum of parts, such as "green leaf". It is occasionally used for undeletion requests, requests to restore entries that may have been wrongly deleted.
