2 Strategically Communicating Organisational Change Abstract The purpose of this essay is to help organisations more effectively implement change.

Strategically Communicating Organisational Change

Communication (from Latin *communis*, meaning "to share") is the act of conveying meanings from one entity or group to another through the use of mutually understood signs and semiotic rules.. The main steps inherent to all communication are: The formation of communicative motivation or reason.; Message composition (further internal or technical elaboration on what exactly to express).
