

contracts and international project pdf

Entering into a distribution contract in China is one of the most common ways for a foreign company to distribute its products in China and is commonly considered the most appropriate way when the foreign company does not want to appoint agents in China to act on its behalf.

International Contracts - International Contracts and

A contract is a promise or set of promises that are legally enforceable and, if violated, allow the injured party access to legal remedies. Contract law recognises and governs the rights and duties arising from agreements. In the Anglo-American common law, formation of a contract generally requires an offer, acceptance, consideration, and a mutual intent to be bound.

FIDIC Contracts have been developed over 50 years as the international standard for the Consulting Industry. They are recognised and used globally in many jurisdictions, on all types of projects.

Why Use FIDIC Contracts? | International Federation of

The new versions of the FIDIC Red Book, Yellow Book and Silver Book constitute updates of the former editions from 1999, which can still be used by the industry. All three contracts have been significantly amended with the main goal to increase clarity and certainty. These amendments should lead to fewer disputes and more successful projects.
