The question of what it means to be –European– comes up regularly on Debating Europe. In the past, we’ve debated whether a common European identity is possible, whether you feel European, and what EU citizenship means to you. These are all important questions, and your opinion on almost every topic we cover – from immigration, to Eurozone bailouts, to relations with Russia – will be ...

Intelligence To be intelligent you first have to know what being Intelligent is. And you also have to know what being ignorant is. Ignorant is just another word for "Not knowing". But not knowing is not always obvious or clearly understood. That's because learning is not fully understood. The more you learn the more you should realize what you didn't know.

## **Intelligence - Basic Knowledge 101**

1. Adversity. In 2013, the United States reached an educational milestone. For the first time, a majority of the country’s public school students – 51 percent of them, to be precise – fell below the federal government’s threshold for being –low income,– meaning they were eligible for a free or subsidized school lunch.
