Entertainment News - Los Angeles Times

Entertainment is a form of activity that holds the attention and interest of an audience, or gives pleasure and delight. It can be an idea or a task, but is more likely to be one of the activities or events that have developed over thousands of years specifically for the purpose of keeping an audience's attention. Although people's attention is held by different things, because individuals have ...

During the 361 years of civil war after the Han dynasty (202 BC â€“ 220 AD), there was a partial restoration of feudalism when wealthy and powerful families emerged with large amounts of land and huge numbers of semi-serfs. They dominated important civilian and military positions of the government, making the positions available to members of their own families and clans.
