Chapter 3 Verbal Communication. In my junior year of college, I took a course in semantics, which focused on verbal language and solidified my interest in language. I love learning about the history of words, learning new words, and seeing how language changes over time and from one context to the next.

The afterlife, or life after death, is a generic term referring to the continuation of existence after death, typically spiritual, experiential, or ghost-like, beyond this world. Afterlife is the existence that one has after physical death. In the Christian religion, all humans were made with souls that live on after the body has expired.
