Industrial Society and Its Future - literature

The Industrial Railway Society. The Industrial Railway Society was founded in 1949 as the Birmingham Locomotive Club - Industrial Locomotive Information Section.

Industrial Railway Society

"When I discovered industrial design I was immediately infatuated with that concept. It was a love for understanding how things work, a deep interest in knowing the reasons for why things are the way they are, and the curiosity," said Oliver Seil, IDSA.

Industrial Designers Society of America - IDSA

An industrial and provident society (IPS) was a legal entity for a trading business or voluntary organisation in the United Kingdom, the Republic of Ireland, and New Zealand. The name is still used in New Zealand, the Republic of Ireland and within the UK in Northern Ireland. Recent legal developments in Great Britain include the Co-operative and Community Benefit Societies Act 2014, which has ...
